SURFIN' SAFARI

Every year at LHSN, the student body participates in zaniness the week before Homecoming, and this year was no exception. Spirit Week was kicked off with Monday as Kiddy Day, Tuesday as Dress Up Day, Wednesday as New Wave Day, and Thursday as Safari Day. As in the years before Friday was designated as Maroon and Gold Day. The Senior class won the title of "The Class with Class" for showing the most participation in Spirit Week.

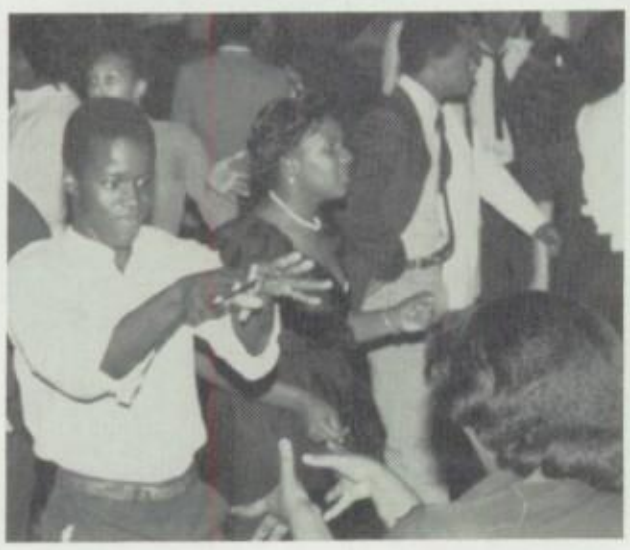
ROMANCE DANCE



After winning the football game 24-0, students were ready to dance the night away at the Homecoming Dance. They began boogying to the music of LP Quality Music at 7:30 p.m. Later in the evening, Carolyn Meinecke was crowned queen by last year's queen, Lori Prentiss, with John Grubbs reigning as king. The gym was festively decorated to go with the "Safari" theme. Students danced and enjoyed themselves until 11:00.

PARADISE THEATRE

North's theatre was blazin' hot as senior women, junior girls, drummers, singers, dancers, and yes--even birds performed for the Variety Show. In between acts, senior Greg Miller kept the audience's attention and announced the next act. After the show, Michelle Driska announced the king and queen.

Kore Borgmann, Melissa Altevogt, Diana Hoog, and Sue Wilson. act as the Altar Committee. Sue Wilson is also in charge of the acolytes.

A special service which took place this year was the baptism of Mr. Grupe's son Daniel. Mrs. Grupe's Grandfather pastor Prange administered the baptism.

The students in the National Honor Society are considered to be BRAINIACS, but they also play another part. They have served as student guides,participated in a' lead worship services. Also as a social event the group had dinner at the Spaghetti Factory.

FUN. FUN. FUN

The Pep Club is credited for giving the cheerleaders that extra boost in spreading the enthusiasm at pep assemblies, sporting events, and holding activities such as a contest for the best decorated locker.

Certainly the most rowdy of the Crusaders here at North is the Pep Club, under the guidance of Mr. Tirmenstein. Different from years past, before, in 1982-83, Pep Club has officers derived from Marching Band, Pom Pon Squad, and Cheerleading. Leaders from Marching Band include John Thomas, Mark Fellwock, Karen Enderson, Gary Winkler, and Connie Sabo. From Pom Pon they are LaTaunia Kenner, Trina Ball, Aileen Britt, Pam Worth, Jennifer Jones, and Sherry Young. Representing the Varsity cheerleaders is Amy Brown.

HAPPY HOLLIDAYS

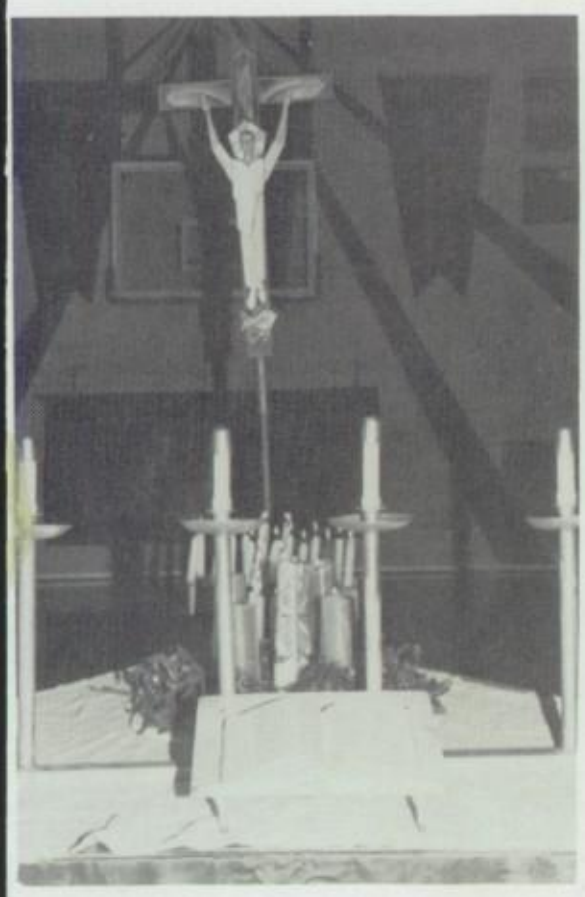
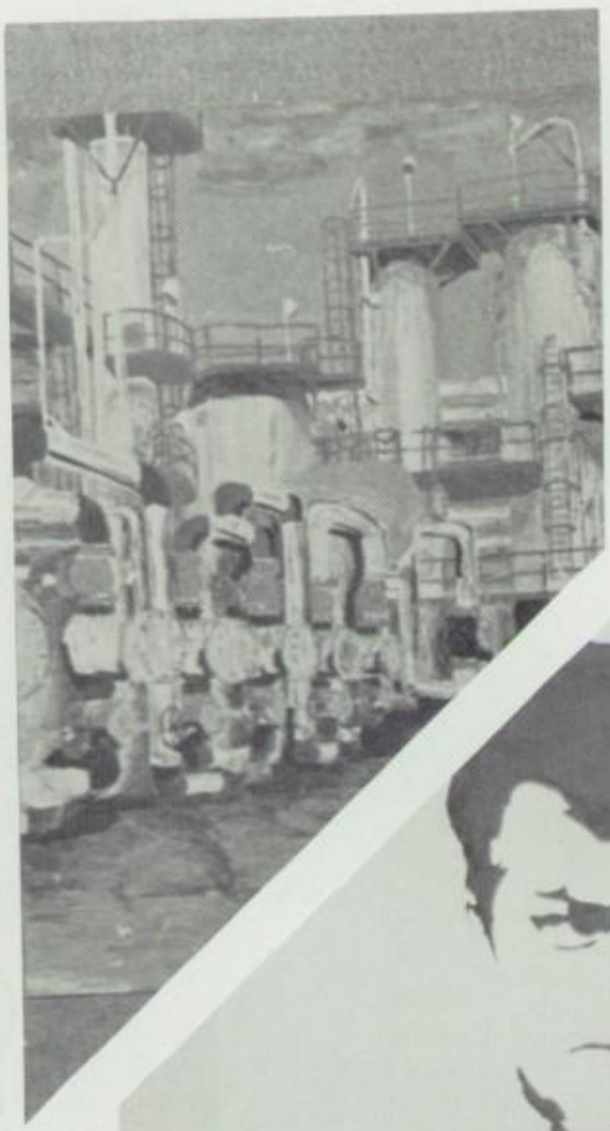
2. Beginning Foods prepares a Christmas feast.

3. The class of 1985 showed much Christmas spirit this year.

4. Pastor Norman Meyer of Grace Pagedale, gave the Chapel Service for the day.



COLOUR MY WORLD



Even though there is not an Art Club this year, North's artists are not starving to show their talent. In addition to the usual art classes, there is now an early morning Painting class that has 17 young aspiring artists who have already completed Art I. Mr. Richenburg is very happy with the results from his students.

Artists involved are James Ballard, Bryan Dawson, Karen Enderson, Dave Fackler, Steve Faser, Jackie Floyd, Lan Lam, Kim Guthier, Craig Horace, Linda Jones, Tanya Pralle, Andrea Fort, Marty Robinson, Angela Repp, Janel Ballard, Melissa Altevogt, and Greg Kerwin.

These students deserve recognition for displaying talent as well as dedication in that they give up extra time in the morning when they could be soaking up more sleep or being with their friends in the cafeteria. Perhaps one of the reasons why the Painting class is such a success is because the atmosphere resembles a studio rather than a classroom. This creates more independence on the the part of the artists.

They also frequently sang in chapel and many area churches. Once the Christmas Season came, they kept busy Christmas caroling in places such as the airport and Westport plaza. At the Christmas Concert, they sang complicated peices in Latin and German, as well as English. They enjoyed a trip to Kansas City with the Concert Choir in April. Also, many of the leads in the Musical, "The Wizard of Oz" came out of S.O.S. The members of S.O.S. enjoyed entertaining others all year.

The varsity football team this year had a promising season. Coached by Mike Russell and Carl Holschen, the team ran their way to a 5-4 record. In the ABC League, the Crusaders tied for second. When asked about the loss of their first 2 games Mr. Holschen replied " Mostly due to the inexperience. We only have 4 returning starters," Vernon Huggans, John Grubbs, John Holliday, and Andre Smith. "I feel the team worked well together as a team, not one person did it alone," said Mr. Holschen. The team would like to thank their managers, Sharon Rietz, Carleen McMilian, Robert Dick, and Patrick O'Keefe.

Today LHSN, tomorrow the Missouri State Championship. That sentence can very well sum up the ambitions of the B-Football team, coached by Mr. Marting, and assistant coach Mr. Kersten. The B-Team exhibited great athletic skill this season by finishing with a 5-2 record. Coach Marting explained that there were no star players on the team, but that the whole squad participated to allow them to achieve their success.

HIT ME WITH YOUR

The 1982 Varsity Volleyball team was prepared for their opponets "Best Shot" this year and "Fired Away" with a successful season. However, this success did not come easily for the Crusaders who had to learn an entirely new and more advanced offense this year. Learning this offense was hard but the girls met the challenge and had a successful season ending with an 8-8 record. Miss Klingsick believed that running a mile a day and exercising would make them stronger. Her stategy paid off. In the season opener the Crusaders were down 13-4 and brilliantly won the game and the match. They also proudly brought home a fourth place trophy from Troy to end the year.

The 1982 junior varsity volleyball team had a red hot season. Although inexperienced, Coach Richenburg molded his team into a smooth machine. Their excellent caliber of play was apparent when they lost the first game to Aquinus and brilliantly won the match. Coach Richenburg said that this was the turning point in the season. In his words, "from then on they played like a well oiled machine!"

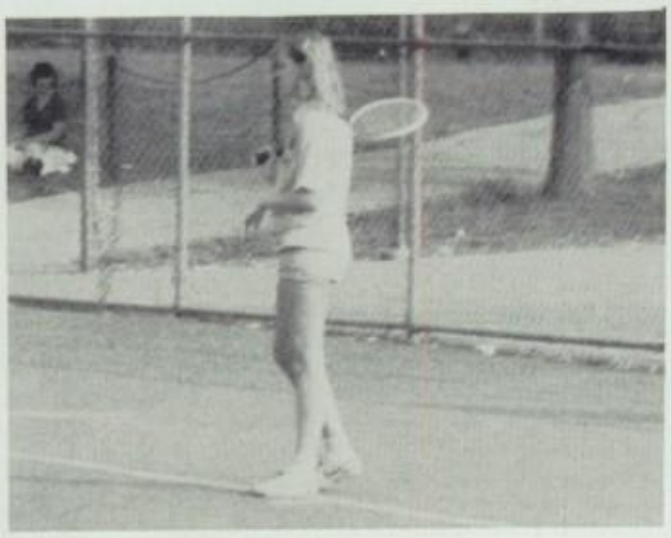
Running 3.2 miles on a rugged course with aching muscles and pounding hearts makes this year's cross country team unique. The team, led by four year veterans, Paul Trampe and Tim Potter, was constantly plagued by injuries thus ending their season with a 4-6 record. However, Tim Potter did qualify for the state meet running a 17.23 in district and capturing the school record. Xavier Ferguson, Andy Klein, and Tim Potter were also ABC League metal winners.

A WHOLE LOT OF LOVE



The girls tennis team didn't do as well as they had hoped, their record being 0-12. Coach Bullock said it was a pretty dismal season. The girls had a lot of fun learning and developing their skills though, and are proud to have been on North's team despite their record.

TOUGH GUYS

This year the Varsity Soccer Crusaders started the season off with a bang. Playing in the North County Tech. tournament, they faced Christian Academy, winning 7-2. They then faced Tech., but unfortunately, the results were not the same. Luckily, they did not let that get them down. The team then faced Wentzville, adding another win to their record. Mr. Terrass coached the team to a final record of 3-16.

BE TRUE TO YOUR

This year the 1982-83 Varsity Cheerleading squad done much to improve the cheerleading image. This years squad consisted of four seniors and two juniors directed by Mrs. June Blanco and Mrs. Cheryl White. They worked very hard with all three squads and contributed to furthering the spirit at North.

Not only has the squad contibuted pep at their own school, but they have given several clinics for grade school girls who were interested in trying out for the cheerleading squad at their school. The clinic consisted of teaching cheers to the girls and helping them out as far as what to expect from tryouts.

BOMB ON ME!

B team: Coach Tom Schultze, Kevin Richardson, David Gehm, Ronald Kirk, Craig Horace, Keenan Richardson, Sam Lawson, Rob Freund, Melvyn Washington, Scott Warmann, Ed Jones, Chris Davis.

The 1982-83 "B" basketball team, comprised of 1 freshman and 11 sophomores, played well this season. The team was coached by Mr. Tom Schultze, who for the past three years has been very proud of the team's performance. All twelve of the team's members have shown their abilities and have proven to be fine athletes.

"The C Basketball Team improved a lot this season according to Coach Kersten. In the Chaminade Tournament they placed second and in the ABC Tournament placed fourth. The boys learned to work as a team and built up a lot of enthusiasm for the sport.

C team: Coach John Kerston, Randy Commings, Walter Morrow, Phil Davis, Rich Knight, Scott Shelton, Mark Jones, Ralph Thompson, Keith Owens, Anthony White, Sean Jackson, Jack Reese, Aaron Perry, Rod Davis.

UP, UP AND AWAY!

This year's girls varsity basketball team was truly exceptional. Consisting of four-year veterans Kaye Klotzer and Sarah Hohenstein and strong seniors, Becca Schlueter, Julie Ahlbrand and Djuana Watkins, the girls held a record breaking string of 14 consecutive victories. The team received great play from every member consistantly throughout the season. They also remarkably took home two first place trophies in the three tournaments they entered, and finished second in the Maryville final losing by 5 to state leaders Visitation. "We really worked hard this season," stated co-captian Kaye Klotzer, "and learned how to get along with others on and off the court."

The Junior Varsity girls also had an outstanding season. Having a new coach this year, Mr. Mike Groupe, the girls started off the season with a six game winning streak. The first loss of the season was a tough one, for the girls made a come from behind victory against Hazlewood, only to lose by two in over time.

This excellent calibur of play is typical for the young team who consistantly out shoots, hustles, and plays their opponents. The future looks bright for the Crusaders, for the team consists of basically Freshman who constantly polish off their competion, and by next year the girls will be pure gold.

BEAUTY...

Thanks to the 20 members of the Lutheran North Pom-Pon team, the Crusader football field was lit up with shaking skirts, flying poms, and swinging flags. This year's squad was directed by Mrs. Charlotte Ijei, and captains LaTaunia Kenner and Trina Ball.

The squad was increased from 11 members last year to 20 members this year. Organizing a bigger squad was difficult but, they were able to perform a variety of routines. They spent everyday after school putting together, designing, and learning routines. But it paid off at the actual performance.

Aileen Britt, Vickeye Allen, Trina Ball, Lori Beffa, Ja'ethel Brown, Michelle Driska, Jackie Floyd, Andrea Fort, Patricia Gaffney, Leslie Green, Judy Harris, Chris Hopkins, Jennifer Jones, LaTaunia Kenner, Maureen MacDonald, Bridgette Milliner, Mercia Sain, Marilyn Thomas, Pamela Worth, Sherry Young.

During the summer the band and drill team went to Camp Wartburg for the weekend. It was not all fun and games. Every morning at 7:00 o'clock everyone was out on the field making "left and right" turns. Thanks to the 7th class period the band and drill team were able to march on Thursday and Friday mornings preparing for the games held on Saturday.

Displaying the maroon and gold colors, the Lutheran North Marching Band performed during all home football games. This year the band consisted of 38 members under the direction of Mr. Steve Tirmenstein. Also, they had the asistance of a former Mizzou Marching member, Kevin Riebel, who accomplished a great deal.

WITH A LITTLE HELP

Here at Lutheran North we have a group of special students. They have many different tasks here. The special titles for each group are Office aides, Teachers aides, Department aides, and Library aides. Office aides do many things, from collecting pink slips to handing out green passes. Teachers aides do whatever the teacher wants them to. They run errands and sometimes take over and set up things for the students while the teacher is explaining.

dept aides Debbie Kelle, Sherrie Landis, Bennetta Wrenthrope, and Sara Hohenstein

office aides Carolyn Meineke, Maureen McDonald, Merilee Fox, Dawn Ellebracht, Sara Mohme, Lataunia Kenner, Rebecca Kammeier.

FROM MY FRIENDS

Department aides help the big big guys like Pastor Repp and Mr. Hartwig type and file. Sometimes the teachers have them go to the book room and return or count books. Library assitants help Mrs. Martin in the library by checking books out, changing magazines on the magazine shelves. Sometimes they can catch up on their own homework. Aside from helping out all the teachers, the three Repp girls help Pastor Neustadt in the bookstore.

The point of entry from the end of summer to the beginning of a new school. To experience the confusion of a new schedule or the fear of walking down the crowded halls of Lutheran High North not knowing a soul. The sudden sound of the first bell, not knowing where to go or what to do you coil in confusion. You enter your first hour class sprinting toward the door, but it is useless, you are late, the entire student body seems to be watching you and you realize you are in the wrong classroom.

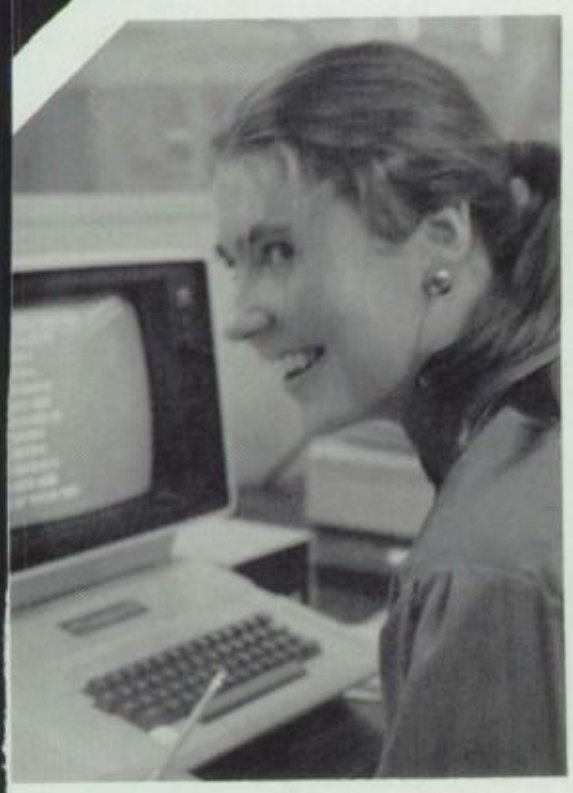
COMING TO AMERICA



Christina Berg is our forgein exchange student from Sweden. She arrived here in St. Louis in August and will graduate with the 1983 class.

At Lutheran North she was a member of the alto section in chior and earned a role in the spring musical. She was an honorary member of Student Council and involved in the weight lifting program.

She enjoyed being in the United States. On spring break she went to California with her best friend from Sweden who is currently a forgein exchange student staying in Milwaukee.

AL AND BARB HUNING

I want to say thank you to all of the people who made this Yearbook possible especially to the staff who went through much work to make this years book the best. Also, a very special thanks to Mr. Tirmentstein, who helped us and put in much of his own time to work with us. We hope you all enjoy the book as much as we enjoyed making it.

TO YOU MR MARTING

The 1982-1983 yearbook is dedicated to Mr. Mark Marting. Mr. Marting teaches the three choral groups, music exploration, and algebra. When relaxing, you can usually find him jogging somewhere on Lucas & Hunt or West Florissant. Mr. Marting runs about 5-6 miles a day, unless he is in training for a marathon, then its about 8-10 miles a day. When Mr. Marting arrived in 1977 he reinstated the spring musical. Producing the musical is a huge undertaking. But the hard work has produced seven memorable shows. Mr. Marting chooses his choir music based on 5 qualifications, according to occasion, degree of difficulty, quality of text how it fits with other groups, and to expose the groups to a variety of music. At Christmas the choir and Sounds of sixteen sang a contata in German. This took about 2 months to learn. He also directs easier more popular songs which take only about 3 weeks to learn. Mr. Marting encourages his students to talk to him. He feels that his relationship with the students is good. He is an understanding teacher who wants to help if someone has a problem. When asked why he chose Lutheran High School North his reply was that God called him he did not choose it. Mr. Marting not only teaches here but he teaches elementary band at Concord Lutheran School. As he says, he has very little spare time.

Alison girl, it's been a wild ayear. Remember last ayear + Mr Mercer (girls at the back table...) and this ayear with Mrs. Orbite (it's too bad ayour agrade depends so much on attitude) I wonder who or what will have next ayear. We have gotten to be really good friends and I'm glad of it. I promise to keep in touch over the summer and ayou had better do the same. We'll finally be Juniors next ayear and having even more fun, doing who knows what.
